

Tuesday 8th September 2026

Dear Parents and Carers,

I am pleased to share with you the outcome of our recent Ofsted inspection (7th July 2026) and to provide you with a copy of the inspection report.

The report recognises and celebrates the commitment, enthusiasm and hard work that make Greenlands such a special place to learn and grow. We are incredibly proud that inspectors saw first-hand the positive experiences our pupils enjoy every day and the strong culture of care, ambition and achievement that runs throughout our school community.

The report highlights many areas, including:

- The high expectations we have for all pupils.
- The positive behaviour and attitudes demonstrated by our children.
- The quality of teaching and learning across the school.
- The supportive and nurturing environment we provide.
- The dedication and expertise of our staff team.
- The effective leadership and vision that continue to drive improvement.

This achievement belongs to our whole school community. I would like to thank our wonderful pupils, who impressed inspectors with their enthusiasm, confidence and conduct. I am equally grateful to our staff for their unwavering commitment and dedication, and to you, our parents and carers, for your continued support and partnership.

The inspection process provided an excellent opportunity to reflect on all we have achieved together, while also helping us identify how we can continue to develop and improve. Although we are incredibly proud of this outcome, we remain committed to ensuring that every child receives the very best education and opportunities to flourish.

I encourage you to read the report in full and celebrate this success with us. It is a testament to what can be achieved when pupils, staff, governors, trust colleagues and families work together towards a shared vision.

I would also like to provide some context regarding the **Attendance and Behaviour** judgement. We are pleased that the inspection recognised the strengths of the school, with the expected grading achieved in all other areas. It is important to note that the judgement in this category was influenced by attendance data. Inspectors were positive about the behaviour they observed throughout their visit and saw pupils who were polite, respectful, engaged in their learning and proud of their school. We are delighted that the good behaviour demonstrated by our pupils each day was recognised by

Mrs A Cook, Headteacher

the inspection team, and we will continue to work closely with families to support and improve attendance for all pupils.

Thank you once again for your ongoing support. We look forward to building on this success and continuing to provide the very best educational experience for every child at Greenlands Primary School.

Yours sincerely,

Alison Cook
Headteacher
