The National Year of Reading 2026 is a special year, created to help children and adults in the UK enjoy reading more. Everyone is encouraged to explore all kinds of stories, books, comics, magazines, websites, and even audiobooks, with the theme 'Go All In'. Throughout the year, schools, libraries, and communities will run fun events and challenges to help everyone find a type of reading they love.

Things to talk about at home ...

- Talk to someone at home about the types of books or other materials you enjoy reading.
- Ask an adult to describe their reading journey, e.g., what they liked reading as a child, what they read now.
- Why do you think fewer people read in today's world? What do you think of the initiative – is it a good idea in your view?
